ARAPL is engaged in the business of providing construction and engineering services.

Anant Raj Limited, is a public limited company incorporated under the Companies Act, 1956, having its registered office at Plot No. CP-1, Sector-8, IMT Manesar, Gurgaon, Haryana-122051 India (hereinafter referred to as "ARL" or "Amalgamated Company" for Chapter 2 and "ARL" or "Demerged Company" for Chapter 3). ARL is engaged in the business of construction and development of residential projects, township projects, commercial projects, SEZ, IT Park, malls, etc. The equity shares of ARL are listed on the Stock Exchanges (as defined below).

Anant Raj Global Limited is a public limited company incorporated under the Companies Act, 2013, having its registered office at Plot No CP-1, Sector-8, IMT, Manesar, Gurgaon, Haryana-122051, India (hereinafter referred to as "ARGL" or "Resulting Company"). ARGL is a wholly owned subsidiary of ARL.

This Scheme (as defined below) is a composite scheme of arrangement, which provides for:

- A. the amalgamation of the Amalgamating Company with and into the Amalgamated Company; and

into ARL pursuant to Chapter 2 of this Scheme, and (b) demerger of Project Division of ARL into ARGL pursuant to Chapter 3 of this Scheme, *inter alia*, would lead to following benefits:

The amalgamation of ARAPL into ARL shall result in:

- (a) elimination of promoter holding company leading to streamlining the holding structure of ARL by ensuring direct promoter participation and the consolidation of the promoter shareholding in a listed company (i.e. ARL), thereby avoiding multiple disclosure and compliance requirements with respect to SEBI and the Stock Exchanges; and
- (b) ensuring that the ability of ARL to conduct its business through multiple layers of subsidiaries is not compromised in terms of the Companies (restriction on number of layers) Rules, 2017, which could potentially be the case if, in future, by consolidation of the promoter shareholding into ARAPL, ARL becomes a subsidiary of ARAPL.

The demerger of Project Division of ARL into ARGL shall result in:

- (a) creation of a separate and distinct entity housing the Project Division and would lead to greater operational and administrative efficiencies for the Project Division;
- (b) enabling the business and activities to be pursued and carried on with greater focus and attention through two separate companies each having its own separate administrative set up. Independent setup of each of the undertaking of ARL and ARGL will ensure required depth and focus on each of the Companies and adoption of strategies necessary for the growth of the respective companies. The structure provides independence to the management in decisions regarding the use of their respective cash flows for dividends, capital expenditure or other reinvestment in their respective businesses; and
- (c) unlocking of value for ARL by transfer of Project Division, which would

3. With a view towards focused leadership, and in the overall interest of all stakeholders, including the family and non-family shareholders and creditors, it is proposed that the management and control of the businesses would be realigned and restructured in a manner that the Project Division of the Demerged Company (i.e. ARL) be demerged and hived-off to the Resulting Company (i.e. ARGL), which would also be listed on the Stock Exchanges and which would be controlled and managed by/under the leadership of Mr. Anil Sarin (and family), the present Managing Director of ARL, whereas the Remaining Business (which would continue to reside in ARL) shall be controlled and managed under the leadership of Mr. Ashok Sarin (and family), the present Chairman of ARL. To this end, it has also been agreed that, after the Effective Date and on the listing of the shares of the Resulting Company at the Stock Exchanges, subject to compliance of the provisions of Applicable Laws, including the disclosure requirements under the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, Mr. Ashok Sarin (and family) would transfer their shares in ARGL to Mr. Anil Sarin (and family) and exit fully from ARGL and simultaneously, Mr. Anil Sarin (and family) would transfer their shares in ARL to Mr. Ashok Sarin (and family) and exit fully from ARL.

4. It is also agreed that in the post demerger scenario there would be no financial or operational cross linking and dependency between the Demerged Company and the Resulting Company. Additionally, the promoters of ARL/ ARGL will indemnify and hold ARL/ ARGL harmless against any losses or costs that may arise against ARL/ ARGL in connection with the Scheme which would not have devolved on ARL/ ARGL but for the amalgamation contemplated under this Scheme.

The implementation of the Scheme is thus aimed at protecting and maximizing value for the shareholders of ARL. This Scheme is in the interest of the shareholders, creditors and all other stakeholders of the Companies.

6. The restructuring under this Scheme would enable focused business approach for maximization of benefits to all stakeholders and capitalize on the opportunity for the growth.
